

ILU-Code Certificate

The INTERNATIONAL UNION FOR ROAD-RAIL COMBINED TRANSPORT, as the ILU-Code Administrator, in accordance with the European standard EN13044-1 and the General conditions of the ILU-Code allocation, hereby certifies that

The ILU-Key

has been duly assigned to:

EFFIMODAL SIA

Bulļu 45a

1064 Riga

Latvia

The ILU-Key Holder is entitled to mark all his intermodal loading units used within the European region (except ISO-Containers) according to the European standard EN13044-1.

The ILU-Key is valid for a period of one year until:

A rectangular box with a red and white checkered border. Inside the box, the text "05.10.2026" is written in blue, bold, uppercase letters.

In order to ensure the validity of the ILU-Key, the ILU-Key Holder should request its renewal in due time before the code expiry. Any change in the company address should be notified without delay to UIRR. All communication should take place electronically through **www.ilu-code.eu**.
